

Abbey Moor Homeowners Association, Inc.
2020 Virtual Annual Meeting

Meet the Candidates

Jenifer Bahamon – 2841 Sherwood Drive – Current Board President for Abbey Moor HOA. I have served on the board for the last 2 years. First year as social chair, and second as President. I'm so proud of what we have accomplished in these 2 years and look forward to the future. My first goal is to build an even stronger sense of community. It's amazing how friendly everyone is always willing to give a helping hand. My second goal is to continue building on the foundation putting things in place to protect our neighborhood. Lastly, I'm a married mother of a toddler, and a little one on the way and a furry GSP. We moved to Trophy Club almost 3 years ago and love calling TC home.
Owner since 07/2018.

Tabitha Benedict - 2849 Earl Drive – Current Board Secretary for Abbey Moor HOA. Communications Chair and Fundraising Chair for Beck PTA. Vice President for St Mary's PS PTA, OSC/SOSC Liaison for OSC V. AFB. My goal was and shall be to increase HOA – provided opportunities for interactions. I chaired the 2019 Neighborhood Night Out (my first on the board) and we had subsequent plans for 2020 that were adversely affected by COVID. I look forward to continuing in that capacity. Lastly, we moved into the Abbey moor HOA in January 2018 after moving around the country with the Air National Guard. I have worked/volunteered in the local schools and currently work for a mortgage lender as an underwriter.
