Trophy Club Municipal Utility District Water Rescuers

WATER FEST 2017

Kid-Friendly Science Experiments

Become an Official Water Rescuer!

Perform science experiments
and learn why it's important to protect
the world's water supply.

Water Rescuer Badge and Certificate
issued upon completion.

Adult Activities

Talk to a Master Gardener
or Irrigation Specialist
and learn how to create
beautiful landscapes using less
water and money.

For more information
call (682) 831-4670
or visit us online at
<http://www.tcmud.org>
